As the only Mommy Concierge Service in Virginia, Moms Need Help Too prides itself and is widely known for our personalized experience. Families love the uniqueness of the services and the peace of mind of being connected to a qualified and vetted sitter/nanny including the Mommy Perks Membership.

Join our team to be your own Boss! Make your own schedule; part-time, full time or weekends only! We give you the tools needed to do what you love. Templates, contracts, service rates, and more are available for you!

As an example: If you chose to use our rates, you can make from **\$13/hr + \$2/hr** for each additional child (sitter services) or **\$17/hr + \$2/hr** for each additional child. However, you are more than welcome to use your own rates that you have set for your services.

In a typical week for Sitter Services you can make: with a one child **\$520/ week** or with a family of three children **\$680/ week**

In a typical week for Nanny Services you can make: with a one child family **\$680/ week** or with a family of three children **\$840/ week**

The possibilities are endless! You may also fill up your schedule with multiple families to maximize your income!
